**Welcome ...**

to the independent SHOP MAP for the LORDSHIP LANE BELLENDEN ROAD and DULWICH VILLAGE areas. We have one of the most MAGICAL communities of independent traders in London and we hope this map will encourage you to enjoy and explore shops and areas you don't yet know! You can easily stroll from one area to another and stop for sustenance at one of the many wonderful cafes, pubs, restaurants - French patisseries, cakes, chocolate, coffee, wines, beers, 3 course meals, Saturday market stalls with pies, hot roasts, salads, juices - these would need their own map and we couldn't fit them into this one.

**We have tried to include as much as we can BUT just because it's not HERE doesn't mean it isn't wonderful!** Books, flowers, cheese, sausages, fish, market garden veg, picnics and drinks, jewellery, beautiful clothes, shoes, homewares, cooking pots, rare perfumes, scented soaps, brooms, carpets, bicycles, bathos, ladders, baskets, hand-crafted furniture, dolls, paints, chocolates, ice-creams, wines - both table and fire, English cakes, fabrics, cards, big fat cakes and juicy steaks.

You can find everything you would ever want, and all sold to you by your LOCAL SHOPKEEPER, your near neighbour, intrepid Davids in a world of hypermarket Goliaths.

**We hope you enjoy these wonderful places.**

# Dulwich Village

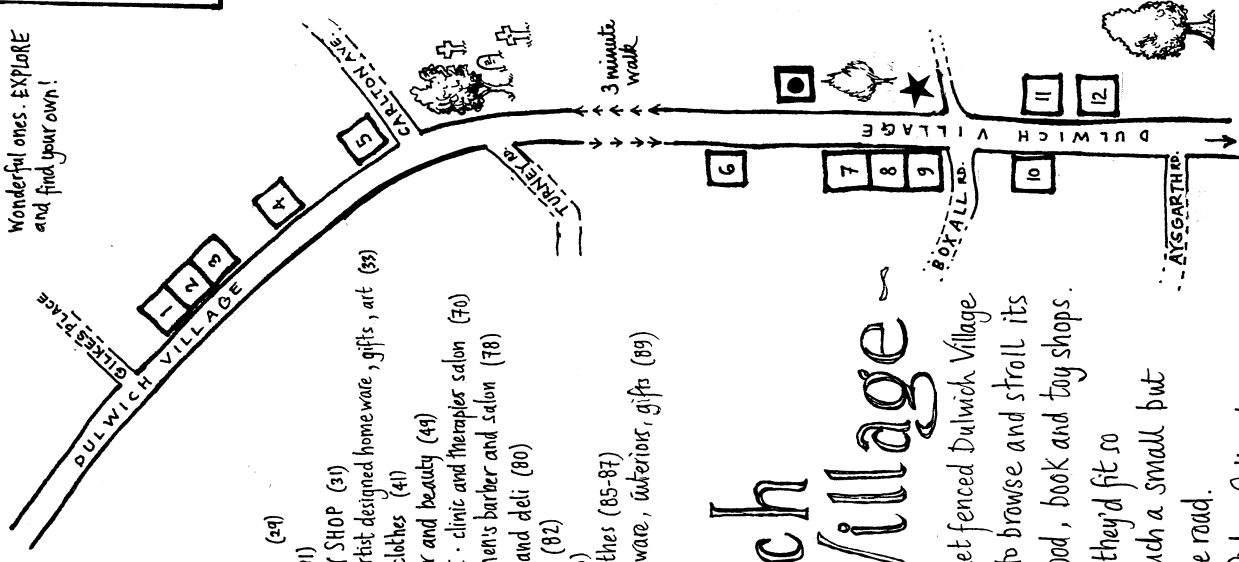

gracious, white picket fenced Dulwich Village is a relaxing place to browse and stroll its gift, homewares, food, book and toy shops. Who'd have thought they'd fit so many lovely shops in such a small but perfectly formed village road.

Visit the Dulwich Picture Gallery too for a world class collection of Old Masters.

WITH MANY THANKS TO...

 Which was initiated, designed and produced by...  
 EMMA PALLANT (artwork) and MADELINE WOKRALL (everything else)

If our first edition, we are just enthusiastic local shoppers who wanted to support local traders! We haven't got a team of researchers, and we do have other jobs, but please email us on [se.indie-shop.map@gmail.com](mailto:se.indie-shop.map@gmail.com) if you liked this map. Or phone Southwark Council and tell them! We hope to make it a local fixture.
